To Gardeners, &c.

In this month uncover the roots of trees, and cover with dung the roots of new planted trees, to prevent the frost from injuring them. Cut all dead branches off fruit trees. Plant quicksets and cleanse trees from moss.—Sow cresses, mustard, radish, lettuce, and other small herbs, in warm rich soil.

Sow Hotspur pease, put fresh earth to your sage, thyme, and other sweet herbs.—Transplant young fruit trees, prune vines, trench and soil ground for the spring

River Tweed opens

With the farmer and gardener this is the busiest month in the whole year; for now whatsoever you have a mind to plant or sow, the earth is fit to receive. Hoe your carrots, radishes, onions, &c. — Set French beans, plant asparagus, separate the layers of artichokes, and plant three of them in one hole. Plant garden beans, rouncival, and other large pease to succeed other crops. Plant slips of sage, rue, rosemary, lavender, &c. Sow all sorts of fallad herbs and spinach in moist places for the last time. Sow turnips, and all sorts of cabbage - lettuce, and transplant Cos and Silesia lettuces which were sown last month.

If the season proves mild, you may continue to prune apple trees, be they standards, wall-fruit, or espaliers;—but you should not prune them later, lest rains and frosts should hurt the trees, when the wounds are fresh — Trench your ground by laying it up in ridges to mellow.—Set crab-tree stocks to graft on; continue to plant suckers and cuttings of gooseberries, currants, and raspberries;—make hot-beds for asparagus,—fell coppices, and-top trees, plant timber & fruit-tree, if the weather be open.

EXPLANATION.

The said duties on windows to be charged in respect of every inhabited dwelling-house, without any other or further exemption being allowed than such as are contained and expressly provided in and by this Act, notwithstanding any former statute or statutes to the contrary.

Every assessment shall be in force for one year, and charged upon the occupiers of houses, cottages, or tenements; and shall be paid without any new assessment, notwithstanding any change in the occupation.

No duty shall be levied for any cottage or tenement containing not more than six windows, the occupier whereof, by reason of *poverty only, not for any other cause*, is exempted from church and poor rates.

Every chamber in any inns of court or chancery, or in any college or hall in the Universities, or in any hall or office belonging to any person or persons, body or bodies politic or corporate, or any public hospital, being severally in the tenure of any person chargeable to the said duties, containing eight windows or under, shall be charged thereto at the rate of two shillings for every window; and every such chamber, which shall contain more than eight windows, shall be subject to the duties as if the same was an entire house.

Hospitals, poor-houses, dairies (with windows without glass), are exempted.

No window shall be deemed to be stopped up, unless stopped with stone or brick, or with the same materials as the outside walls; but this is not to extend to any stopped up window in roofs, if stopped with like materials as the outside. And no window shall be *newly-made* in any dwelling-house, or office belonging thereto; or if stopped up, be *restored*; nor shall any window be *stopped up*, without giving six days previous notice thereof in writing, to the Surveyor, on pain of ten pounds for every window newly made, restored, or stopped up.

If any Surveyor shall receive any such notice, or discover that any window hath been *newly made or restored*, he shall certify the same by way of charge to the Commissioners, who are to cause the assessment to be rectified according to such certificate; but such amended assessments may be appealed against.

No assessment to be subject to appeal or abatement, unless it shall be proved, that the windows were stopped up previous to the making of the assessment.

NEW LEGACY DUTY.

For the *prevention* of mistakes and inconveniencies in the receipt and payment of legacies and shares of personal estates, in pursuance of an act of the 36th year of his present Majesty, cap. liii. the parties concerned are desired to take notice,

That the duties granted by the above act do not attach upon legacies and personalty left by testators and intestates, who died on or before the 26th April 1796:

That legacies under the amount or value of 20l. and shares of personal estates under the clear value of 100l. are subject only to the former duties:

That the duties upon legacies and shares of personalty taken by husbands, wives, children, and grandchildren, or any lineal descendants, remain also unaltered by this act:

That *stamped receipts* must therefore continue to be taken, as before, for payments in the several cases before mentioned; which stamps may be had, as usual, at the head office, and at the offices of the several distributors and sub-distributors in the country: But

That, *in all other cases*, receipts must be taken on *unstamped* paper or parchment, and must, within twenty-one days from the date, be brought to the head office in London, or to the said distributors or deputies, in order to their being stamped; and the duty must be paid on leaving such receipts.

The NEW DUTIES payable are,

2l per cent. on all legacies, specific and pecuniary, of 20l value or amount, or more, and on every clear residue or share of the clear residue of a personal estate, or share therein, of the amount or value of 100l or upwards, given or passing to brothers or sisters of the deceased, or their descendants.

3l per cent. on dittos to uncles or aunts, or their descendants.

4l per cent. on dittos to great uncles or great aunts, or their descendants.

And 6l per cent. on dittos to any other collateral relation, or any stranger in blood to the deceased.

Executors, &c. are to deduct the duty on *payment or delivery* of legacies or shares of personalty to the parties entitled; and are also chargeable with duty on their *retaining*, in a due course of administration, any money or effects *to their own use*.

The receipts for legacies, &c. are to contain the names and additions of the testator or intestate, the executor or administrator, and the person receiving; also the amount or value of the legacy or residue, and of the duty thereon.

Executors or administrators satisfying or compounding legacies or shares of personalty, without taking a receipt in writing, and producing it to be stamped within the time prescribed as above, and legatees and others receiving such legacies and shares, and not giving a receipt, *dated on the day of signing, and in which the duty shall be expressed to be allowed*, forfeit respectively 10l. per cent. on the amount of such legacies and shares.

Executors, &c. *retaining personalty for their own use, and neglecting to account for and pay the duty within fourteen days after such retainer*, forfeit treble the amount of such duty.

All plate, furniture, and other specific articles of personalty, are subjected to the duty. The party liable in respect of these may set a value thereon, and offer the duty accordingly, which the Commissioners may, at their option, accept: If they decline it, they may appoint an appraiser, and assess the duty by his valuation; which assessment the party liable may (at the hazard of paying costs upon its being confirmed) have reviewed by the Commissioners of land tax for the district, giving six days notice of appeal, and leaving fourteen days between the making of such assessment and the sitting of the Commissioners; or the party liable may, at his option, have an appraiser appointed by the Commissioners of stamps at his expence.

Annuities are to be valued by tables annexed to the act, and the duty paid by annual instalments out of the first four years receipts.

The duty on legacies bequeathed for purchasing annuities is to be paid out of the gross sum.

Every gift, taking effect as a *donatio mortis causa*, is subject to duty.

The duties on legacies bequeathed to different persons in succession or joint tenancy, or subjected to a power of appointment, are to be paid according to the circumstances for which particular provisions are contained in the act.

Legacies, the value of which can only be ascertained by application of the fund allotted for their discharge, are liable to duty, from time to time, on such actual application, as separate and distinct legacies.

Plate, furniture, &c. enjoyed in kind for life, or other limited time, without power of disposition, are not liable to duty, but become so when possessed by persons having power to dispose thereof.

The duty on legacies determinable on contingencies (annuities excepted) to be paid out of the capital by the first taker.

Legacies bequeathed for purchasing real estates to be liable to duty, except in certain specified instances of bequests to be enjoyed in succession.

The duty on legacies satisfied otherwise than with money, or compounded for, to be paid according to the value or amount of the satisfaction or composition actually made.

N.B. Executors, &c. having occasion to pay legacies, or shares of personal estates, may be accommodated (gratis) with blank printed accounts and receipts for filling up, in the form prescribed by the act, on applying at the head office, or to the said distributors or their deputies.
